¿WHO WE ARE?

The Hogar Nueva Granada is a private non-for-profit organization, founded by the Colegio Nueva Granada community on February 2000 as part of its social commitment program. We attend to the needs of over 500 children, their families, and their community.

WHAT WE DO:

- Education: nursery, pre-school, primary, elementary, middle school, commercial technical high school, and after/before school care.
- Nutrition: 3 basic meals are served 210 days of the year.
- Health: pediatrics, dentistry, and optometry.
- Fundación Oportunidad: our learning center specialized in the diagnosis and treatment of behavioral and learning disabilities.
- Extracurricular: a wide range of programs for emotional, academic and physical enrichment.
- Workshops for parents and the community.

WE NEED YOUR SUPPORT!

The Hogar functions and grows thanks to individual sponsors through the Plan Padrino and donations from companies and institutions.

ENROLLING IN PLAN PADRINO

By enrolling in the Plan Padrino, you are offering a child much more than an education. You are also enriching his environment, and benefiting his family and community by helping them break out of their cycle of poverty.

At present only 32% of our children are sponsored. Please help us ensure that all our children will have a sustainable future.

If you would like to become the Padrino of a child at the Hogar Nueva Granada please complete the enrollment form and return it to Colegio Nueva Granada or the Hogar.

OUR MODEL OF SOCIALLY RESPONSIBLE EDUCATION

The Hogar Nueva Granada plays a central role in Colegio Nueva Granada’s Service Learning program. It is a hands-on program where students of both educational institutions learn and develop a conscience for social responsibility and leadership within organized activities. The CNG-HNG educational construct is a model for schools in Colombia and around the world.
