

# WHEN A STUDENT NEEDS A WHEELCHAIR

If a student has a temporary injury and parents are requesting wheelchair services, these can be provided at no extra charge from the gate or bus area to the first classroom of the day and then at the end of the day from the school office back to the gate or bus area.

If requested, students will also be provided wheelchair service to the cafeteria for lunch and back to their school office free of charge based on wheelchair availability.

Any wheelchair needs must be first notified to the Health Zone Health Professional before anything is processed.

Required documents:

1. Copy of the ID
2. Social Security Pay Stubs
3. Background check from a certified Security Company.
4. Copy of the labor contract
5. Signed agreement with CNG
6. Signed agreement with the bus provider (optional).

\*Security is notified.

\*

Wheelchair services will come with a charge and may require up to three days waiting period. Such additional services would include class to class wheelchair transportation throughout the day. The charge for daylong service would be \$75,000 COP per day.
